

A Successful Community Project !

“WarmforWinter: 1000 handmade Hats/ Scarves”

Goal is to knit, crochet and or sew fleece handmade hats and scarves created especially for our unhoused neighbors in our community! Partnering with **WarmforWinter**, local **Pacific Fabric Stores** will be collecting in four counties during the month of October only.

Organize a knitting group and or a **“Blessing of The Hats and Scarves”** service to be held at your congregation ! This year deliveries will be different dates as **WarmforWinter** Founder Janice will be out of town all of November so please contact before last week of October. Deliveries will go from you directly to service providers, and Janice will assist in this process, please call or write in October. WarmforWinter is a succesful project with all of you!

*Any size hat or scarf is wonderful, **though men’s gifts are more in demand.***

There are Men, Women and Youth ALL in need of housing, waiting in lines every day for assistance. This last Thanksgiving '09 season over 7,000 handmade hats & scarves were delivered to individuals at shelters. Truly your gifts brighten a homeless individual’s day!

We All Make a Difference!

Please help us meet our **Warm for Winter** collection goal of **1000 Hats and Scarves**

Enjoy, start a knitting group, collect hats & scarves for distribution

19,000 handmade gifts were so appreciated by the individual homeless recipients during our 2006 -2009 campaigns! The handmade hats and scarves will be collected and gifted to many homeless service providers in Kitsap, King, Pierce and Snohomish Counties in our Puget Sound Region.

This is a 100% volunteer effort ~ All Thanks to you!

501(c)3 availability. Contact Janice @ 206-675-2672

*Reminder this year once again Pacific Fabric Stores in four counties are generously collecting for the WarmforWinter project during the month of October.

Janice, the Founder of WarmforWinter will be out of the country almost all of November so no one will be able to answer calls or e-mails from Nov 1st until after Thanksgiving.

Please contact Janice during the month of October for alternative delivery options!
